

HELP THE FRIENDS
RESTORE THE SAPELO
GREENHOUSE

Got Glass?

Join the "Be a Pane" Campaign

By being a PANE you can help the Friends of the UGA Marine Institute finish the greenhouse restoration project! Be a big pane for a \$50.00 donation or share your pane with a friend (\$25 plus \$25). Better yet buy glass for an entire wing and be considered a major pane.

Your \$50 donation will cover the cost of a pane of glass and the installation fee. Please earmark your donation to: The Be a Pane Greenhouse Campaign, UGA Foundation, Friends of the Marine Institute.

Spread the word and let's raise the money needed to cover the greenhouse in glass once again.

Our timeline is December 2013.

Yes!

Count me in as a PANE to help restore the Greenhouse on Sapelo Island!

\$50 - I'm a pane. \$100 - I'm a double pane. \$10,000 - I'm a major pane. \$1 million - I'm a royal pane.
